2020 – 2021 APPLICAIION TO DISPOSE OF NON-RESIDENTIAL GENERATED HAZARDOUS & UNIVERSAL WASTE AT STEARNS COUNTY HOUSEHOLD HAZARDOUS WASTE FACILITY

The Very Small Quantity Generator Program is a waste disposal option for business, rental property, nonprofit or not-for-profit, and units of governments (Generator) at the Stearns County Household Hazardous Waste Facility. This program is operated as an addition to the Household Hazardous Waste agreement Stearns County has with the Minnesota Pollution Control Agency (MPCA).

Generator Information

If you generate hazardous waste, you must have a hazardous waste identification number from the MPCA. Form available at: https://rsp.pca.state.mn.us/TEMPO_RSP/Orchestrate.do?initiate=true

MPCA Waste ID Number: _____

Generator Name: _____ Telephone: _____

Physical Address: _____
(Where the waste is generated) _____

City: _____ State: MN Zip: _____

Billing Address: _____

City: _____ State: MN Zip: _____

Contact Name: _____ Telephone: _____

Generator Size/Type

To use this program your generator type must qualify as one of the following – check one:

Hazardous Waste

- Very Small Quantity Generator:** generate less than 220 pounds (or 22 gallons liquid) of non-acute hazardous waste per calendar month.
- Minimal Quantity Generator:** generate less than 100 pounds (or 10 gallons liquid) of hazardous waste per calendar year.
- One-time Generator:** generate and dispose of less than 2,200 pounds of hazardous waste as a one-time clean out – the business/organization no longer generates hazardous waste in its normal operations.

Generator Size/Type (continued)

Universal Waste - Waste ID number not required for less than 11,000 pounds generated.

- Lamps only (fluorescent, high intensity discharge, neon etc.).**
- Mercury containing equipment only.**
- Pesticides only (herbicides, rodenticides, algacides).**

Non-Hazardous Waste - Waste ID number not required for non-hazardous waste.

- Latex or water-based architectural paint only.**
- Other non-hazardous waste – additional SDS/MSDS, laboratory analysis, or other documentation required.**

Signature

By signing this form, I understand and agree to abide by the following terms and conditions:

I certify that the generator identified above generates less than 220 pounds of hazardous waste per month and is classified as a:

- Very Small Quantity Generator or
- Minimal Quantity Generator or
- One-time Generator or
- Universal Waste Generator.

I understand: 1) Stearns County reserves the right to charge additional fees if the waste delivered differs from the inventory submitted or if additional analysis, sorting, and or repacking of the waste is required; 2) Stearns County may refuse to accept any wastes that are not pre-registered and approved; 3) completion of this and other forms does not expressly imply that the wastes listed on the waste inventory will be accepted; 4) I am required to read and follow the transportation guidelines provided to me; and 5) I am responsible for the safe and legal transportation of waste to the Household Hazardous Waste Facility.
